EXPERIENCE

Freelance Designer 2004 - Present

Various projects in areas of video production, motion graphics, logo and identity creation, web design, and advertisement

Showcased at INSPIRE 2008, Savannah, GA — 2008

My piece "Fear and Loathing in Las Vegas" was shown at the motion graphics symposium

Designer for buylandingpages.com — 2007

Assisted in design of web graphics, as well as web video production for short-term web-based company.

Work on film "Heart Sword & Perseverance", Atlanta, GA — 2009

Motion graphics and title work for Atlanta Bujinkan Dojo's film.

Head Editor of Shelby TV "Flipside" program, Shelby, MI — 2004-2005

Responsible for all graphics and effects, along with production, and shooting of television show

Editor for Utica Community Schools television, Utica, MI — 2003-2004

Responsible for shooting, editing, green-screening, and all other post production. As well as any additional motion graphics or animated segments.

Line worker at KDS Controls INC, Troy, MI — 2005

Worked on a fast paced electronics and electronic control assembly line. Responsible for quality control and programming of microprocessors.

Server at Tantra Tapas Bar & Lounge, Savannah, GA — 2006-2008

Server and barback at a busy downtown hotspot. Had to maintain good customer service even in a loud and chaotic nighttime establishment.

Server at Saigon Restaurant, Savannah, GA — 2006-2008

Server at a downtown Vietnamese restaurant in a fast paced work place.

Server at Sushi-Zen, Savannah, GA — 2005-2006

Both served and hosted at a busy Japanese restaurant where I learned valuable people skills for interacting with demanding customers.
